

# FSU School of Information Undergraduate Course Rotation Schedule

(revised 5/2/19)

**NOTE: The Undergraduate Course Rotation Schedule includes a list of courses scheduled to be offered during the terms shown. Additions or deletions to the schedule may be made in any semester to meet course demand, to introduce new courses, adjust for faculty availability, insufficient enrollments, and/or budget constraints. While this document does not represent a guarantee, the iSchool will make every effort to provide the courses as scheduled.**

**X - online offering / F2F - traditional face-to-face offering**

| Course  | Title                                                                                                                       | SP19  | SU19  | FA19  | SP20  | SU20 | FA20  | SP21  | SU21 | FA21  |
|---------|-----------------------------------------------------------------------------------------------------------------------------|-------|-------|-------|-------|------|-------|-------|------|-------|
| CGS2821 | Intro to Website Design                                                                                                     | X     | X     | X     |       | X    |       |       | X    |       |
| COP2258 | Problem Solving with Object-Oriented Programming                                                                            | F2F   | F2F   | F2F   | F2F   | X    | F2F   | F2F   | X    | F2F   |
| IDS2144 | Information Ethics for the 21st Century (formerly IFS2041)                                                                  | F2F   |       |       | F2F   |      |       | F2F   |      |       |
| IDS2141 | Exploring Emerging Technologies (formerly IFS2097)                                                                          | F2F   |       | F2F   | F2F   |      | F2F   | F2F   |      | F2F   |
| IDS2683 | Unintended Consequences of IT (formerly IFS2118)                                                                            | F2F   |       |       | F2F   |      |       |       |      |       |
| IDS3493 | Empowering Health Consumers in the eHealth Era<br>(formerly IFS3037)(equiv to LIS4772 Intro to Consumer Health Informatics) | F2F   |       |       | F2F   |      |       | F2F   |      |       |
| LIS2360 | Web Applications Development                                                                                                | X/F2F | X/F2F | X/F2F | X/F2F | X    | X/F2F | X/F2F | X    | X/F2F |
| LIS2527 | Digital Storytelling in Information Environments (OCCR)                                                                     | X     |       |       | X     |      |       | X     |      |       |
| LIS2780 | Database Concepts                                                                                                           | F2F   | F2F   | F2F   | F2F   | F2F  | F2F   | F2F   | F2F  | F2F   |
